intelligent and efficient person, it never occurred to me to ask for help. I felt somehow I should be able to handle it myself," states Puntillo.

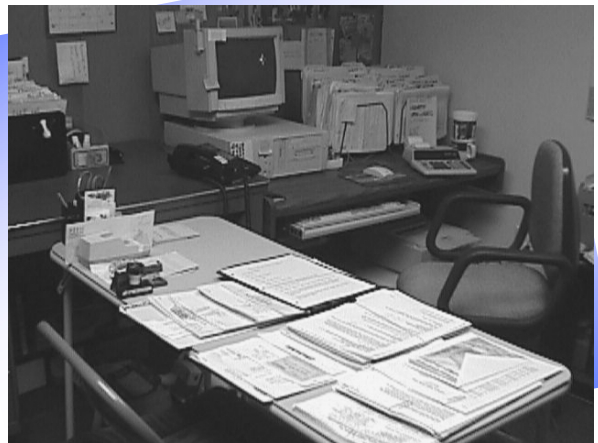

Mary Kay added, "Right off the bat, I have much less clutter in my office. This allows me to focus and to feel good, so I'm automatically more productive. Instead of 'someday,' it's now! The next appointment gives me a deadline, and the follow-up phone calls are helpful." When asked about the biggest benefit of working with S.O.S., Puntillo said, "I feel a great sense of relief."
